## Rules

The international volleyball rules will apply. This includes greeting each other before the start of the game.

Teams will accept the decisions made by the referee. Fair-play rules do apply.

All games will be played to 2 winning sets to 25 points (no difference of 2 points required, 25-24 can be a final score). The eventual 3th set will be played to 15 points (no difference of 2 points required, 15-14 can be a final score). In the case of a 3th set, teams will change playground when one team reaches the score of 8.

Technical time-outs are not applied.

1 game point is given for each set won.

At day 1 (Thursday 22/06), teams are divided in 4 poles (A,B,C,D) of each 3 teams, where every team in the pole plays against another team in the same pole (play-offs system). At the end of day 1 a ranking/pole will be made based on the following:

- 1) Number of obtained game points
- 2) If equality, set average (number of won sets divided by number of lost sets)
- 3) If equality, point average (number of won points divided by number of lost points)

Based on the results of day 1, 3 new poles of 4 teams will be defined for the games on day 2 (Friday 23/06).

Pole A : A1 + B1 + C2 + D2 (places 1 to 8)

Pole B : C1 + D1 + A2 + B2 (places 1 to 8)

Pole C : A3 + B3 + C3 + D3 (places 9 to 12)

In each of those pools, a final ranking will again be made based on

- 1) Number of obtained game points
- 2) If equality, set average (number of won sets divided by number of lost sets)
- 3) If equality, point average (number of won points divided by number of lost points)

Places 9-12 : ranking in the pool C

Places 7-8 : A4-B4

Places 5-6 : A3-B3

Places 3-4 : A2-B2

Places 1-2 : A1-B1
